**NOTE FROM THE PRESIDENT**

The KMEF board is working on creative ways to continue funding the education programs we provide. With the loss of income from pharmaceutical companies, our funds have dropped significantly. We currently have a committee dedicated to devising possible long term solutions to ensure continued provision of educational opportunities for our members. In addition, we are working together to bring a wider selection of interdisciplinary programs, as well as programs addressing the ever changing face of health care, to our members. As usual, if you have suggestions for programs, or other questions or concerns, please contact us.

Kirsten E. Evans, MD  
KMEF President

The Kansas Medical Education Foundation is accredited by the Kansas Medical Society to provide continuing medical education for physicians.

These live activities have been approved for *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For further information, please call Tiffany Beyer, Administrative Officer, at (785) 234-8148, or Ted Warren, Ph.D., Education Coordinator, at (785) 354-5825.
