Stormont-Vail HealthCare Expands Emergency Medicine Medical Staff Amanda Rodski, M.D., MBA joins Stormont-Vail Emergency Department

(Topeka, Kan., Aug. 31, 2010) – Stormont-Vail HealthCare and Cotton-O’Neil Clinic welcome Amanda Rodski, M.D., MBA, to the Cotton-O’Neil Clinic medical staff.

Dr. Rodski received a dual medical degree and masters of business administration degree with a concentration in health care systems from Drexel University College of Medicine and LeBow College of Business, Philadelphia, Penn., in 2006. She completed her residency in Emergency Medicine at Mount Sinai Medical Center, New York, N.Y., in 2008, and Temple University Hospital, Philadelphia, Penn., in 2010, which is known to be one of the nation’s premier academic medical centers.

Dr. Rodski is a member of the American Academy of Emergency Medicine, American College of Emergency Physicians, American College of Emergency Physicians’ American Association of Women Emergency Physicians Section, American College of Emergency Physician Quality Improvement and Patient Safety Section, American College of Emergency Physicians’ 911 Legislative Network, and the Society for Academic Emergency Medicine.

For more information about this Cotton-O’Neil Clinic emergency medicine physician, visit www.stormontvail.org.

About Stormont-Vail HealthCare

Stormont-Vail HealthCare is an integrated health care system that has been serving the health care needs of northeast Kansas for more than 125 years. It is comprised of Stormont-Vail Regional Health Center, a 586-bed acute care hospital, and the Cotton-O’Neil Clinic, a multi-specialty physician group with 192 physicians. More than 4,000 employees provide care and support services for patients in the hospital and 27 other locations, including the Cotton-O’Neil Heart Center, Cancer Center, Diabetes and Endocrinology Center, Digestive Health Center, the PediatricCare clinic and multiple regional primary care clinics. Stormont-Vail HealthCare is committed to its mission of improving the health of the community by providing high quality, compassionate care with state-of-the-art equipment in convenient, comfortable facilities for patients and families.
