**The Clinic at Walmart Operated by Stormont-Vail HealthCare
Opens October 18, Offers Convenient, Affordable Care**

*Stormont-Vail's in-store clinic inside North Topeka Walmart
expands access to basic health care services*

TOPEKA, Kan. – Oct. 18, 2010 – Walmart (NYSE: WMT) and Stormont-Vail HealthCare today announced Topeka's newest location for basic health care services – "The Clinic at Walmart" operated by Stormont-Vail. This convenient care clinic will open today, Monday, Oct. 18 at 9 a.m. inside the North Topeka Walmart located at U.S. Highway 24 and Rochester Road.

The clinic will provide convenient, affordable access to basic health care services, seven days a week, with no appointment necessary. The walk-in health clinic is the first owned and operated by Stormont-Vail in a Walmart. The clinic will be open for walk-in care weekdays from 9 a.m. to 9 p.m., Saturdays from 9 a.m. to 5 p.m. and Sundays from 11 a.m. to 5 p.m.

For busy customers who need care, especially after working hours or on weekends, the clinic will treat common health ailments and offer routine services. These include, but are not limited to, the following:

- Acne
- Bladder infections
- Blood sugar testing
- Camp and sports physicals
- Common vaccinations
- Earaches
- Flu
- Insect bites and stings
- Minor wounds
- Sinus infections
- Upper respiratory infections
- Wart removal

"By joining with Walmart to operate 'The Clinic at Walmart,' Stormont-Vail is improving access to health care in our community," said Maynard Oliverius, Stormont-Vail HealthCare President and CEO. "Our clinic is staffed with licensed health care providers, even on nights and weekends, so families can walk in and know they will receive quality care without a long wait. Our mission is to implement programs and services that will improve the health of this community, and the clinic is one more way we fulfill our mission."

-more-

“Walmart is dedicated to serving our customers and our communities, and this type of clinic helps expand their access to quality health care,” said Bruce Shepard, Walmart’s director of healthcare innovations. “Stormont-Vail HealthCare is a well-known and respected health care provider in this area, so our customers will receive quality care from people they know and trust.”

With the opening of this clinic, there will be 98 in-store clinics in Walmart stores across 22 states. For further information about “The Clinic at Walmart”, please visit www.walmart.com/clinics.

About Stormont-Vail HealthCare

Stormont-Vail HealthCare is an integrated health care system comprised of Stormont-Vail Regional Health Center, a 586-bed acute care hospital, and the Cotton-O’Neil Clinic, which employs 191 physicians, and features a Heart Center, Cancer Center, Digestive Health Center and Diabetes Center. Stormont-Vail Regional Health Center has the region’s only Level III Neonatal Intensive Care unit, the region’s only verified Trauma Center and the region’s only Primary Stroke Center. Stormont-Vail employs more than 4,000 people and serves a 14-county area in northeast Kansas.

About Walmart
