Join the Stormont Vail Foundation Sept. 20, 2021 at the BIG HEARTS Golf Tournament to support the Cancer Center's expansion and renovation project.

To become a sponsor, return this form to the Stormont Vail Foundation, tinalong@stormontvail.org or fax to (785) 354-5358.

*Exclusive sponsorship

Funds raised by the 2021 BIG HEARTS Golf Tournament will benefit expansion and renovations at the Cotton O'Neil Cancer Center. This \$3.5 million project will add four oncology exams rooms, three rooms for Surgery/Palliative Medicine, six additional infusion bays, and create Centers of Excellence for Breast and Colorectal Cancer.

The vision for this project is the formation of a coordinated team-based approach to care with an aim to improve the patient experience. The co-location of behavioral health providers, general surgery, palliative medicine, and radiology services at the cancer center will create a "one-stop" approach to cancer care. The reconfigured infusion space will also improve the patient flow through the department and provide additional capacity.

Stormont Vail is the choice for Cancer Care in northeast Kansas, serving nearly 6,000 patients annually. Over the next five years, outpatient volumes are projected to grow by six percent and chemotherapy services by 12 percent. This expansion will support both this increased demand while best meeting the complex needs of these patients.

This is part of an even larger expansion plan that includes construction of a two-story building that will house pharmacy and clinical research programs currently located within the Cancer Center.
