

Kansas Nursing Service Scholarship

The Kansas Nursing Service Scholarship requires an obligation to practice as an LPN or RN in Kansas and work for a sponsor. A sponsor means any adult care home, psychiatric hospital, medical care facility, home health agency, local health department or any state agency, which employs LPNs or RNs, licensed by the State of Kansas. The sponsor will provide partial scholarship funding and provide employment upon licensure of the recipient.

Stormont Vail Health will serve as a sponsor facility in partnership with students in offering scholarships under this program. Eligible participants must be accepted into an accredited nursing school program. The scholarship does not cover pre-requisites.

Scholarship recipients must agree to work for Stormont Vail Health and fulfill the work commitment as outlined. Failure to do so modifies the scholarship to a Loan as outlined under the Kansas Nursing Service Scholarship program guidelines. Recipients must sign an agreement to practice nursing for a sponsor facility (Stormont Vail) for scholarship support.
