**MOBILE ACCESS
PARTNERSHIP**

**Taking comprehensive services to
the unsheltered homeless through
innovative, multi-agency collaboration**

Why is MAP Important?

MAP is a collaborative approach to providing mobile access to medical, social, and behavioral health services for Topeka's unsheltered homeless population, as well as those whose living/housing situation is precarious. MAP expands the work that partnering agencies are doing to give at-risk adults and families a hand-up as they seek to move forward. MAP operates on Tuesday & Thursday throughout the community.

MAP is a division of Compassion Strategies Inc.
a 501(c)3 Not-for-profit
